Principal's Message

Thank you to all the parents who participated in the Education Week activities at school. It is lovely to see the engagement in the classrooms and for students to be able to share their learning environment with others. We will be celebrating Book Week next week so there is another opportunity to come visit your child at school for the parade on Friday starting at 9:15am. The book fair will be open in the library for students and parents to make purchases from Scholastic, which is a supported fundraising opportunity for our school.

Congratulations to the students who participated at district athletics last Friday. We wish Piper, Kden, Riley T and Indica the best of luck at Zone on Friday.

Bus safety and responsible behaviour has become a focus for our school as we value our role as respectful, responsible and resilient students when travelling to and from school. Students will discuss the code of conduct and be able to reflect on positive behaviours for learning and performance.

Have a great day,

Mrs Kristy Glyde
Principal

This Week in Classes

K/1

On Friday, K1 were challenged to make a boat that could float and could catch the wind to move. We recycled useful scraps to construct our vessels and students raced their inventions across the classroom ocean!

1/2/3

Many students and parents were challenged with the paper chain competition in the 1/2/3 classroom. We had many chains constructed using a variety of techniques. The longer thinner chains seemed to work the best!

3-6

During our Education Week celebrations, 3-6 were challenged with an egg drop. Using a limited supply of materials, eggs had to be dropped two metres and successfully survive the fall.

Positive Behaviour for Learning

Students have adapted well to our new bell system and we are seeing an increase in the efficiency of our transition times. Congratulations to Rani, who won this week's PBL award and has the honour of being the first student to select a new transition song to be played for the next 2 weeks.

This week, we are returning our PBL attention to the expectations of responsible and respectful bus travel. Students and families are reminded that safety during bus travel is of utmost importance. The bus drivers have an important job and we need to be as helpful as we can to help them concentrate on driving and make sure we get home safe and sound. Staying in your seat, keeping your belongings off the aisle, and using quiet indoor voices are all excellent ways to show respect for everyone's safety on the bus. Remember, you are representing our school, so make a good impression!

Please take the time this week to talk with your child about the importance of staying safe and being respectful while using public transport.
