Education

Share Our Space

Dear Neighbour

Schools are the heart of our communities and offer a range of quality recreational and play facilities.

Over the coming school holidays, the NSW Department of Education is rolling out Share Our Space at more than 230 schools across the state, which will open up the playgrounds, ovals and sports fields for the whole community to enjoy.

Repton Public School will be participating in the program during these school holidays.

The gates will be open between 22 December and 25 January 2019 between 8am and 6pm.

A security guard will be in place to monitor safety and security, and gates will be locked at closing time each evening.

As always, if you need to report a security issue at the school, you can call security 24 hours on 1300 880 021. For more information on this program, please visit schoolinfrastructure.nsw.gov.au or contact us on 1300 482 651.

We hope you have an enjoyable break, and invite you to use the play areas at your local school these holidays.

Regards
