14	Yr 6 Farewell Dinner/Dance
15	Last Day of Term for Students

Principal's Message

I'd like to start this week by wishing Mr Phillips and our Year 4-6 students a safe and happy excursion to Canberra next week. It promises to be an amazing experience.

Our K-3 students will also be enjoying a day at the Bongil Bongil State Forest on Monday. So many adventures to enjoy!

It is a good time to remind everyone of our "No hat - play in the shade" rule. The sun is out and days are heating up. All students are required to wear a hat if they want to play in the sun. Please make sure your child has a water bottle packed everyday so they can remain hydrated.

Our annual swimming scheme is just around the corner. Permission notes and money need to be returned to school if not already done so.

Next week also marks the start of our STAR Program, which runs every Thursday in November. For the following 5 weeks, next year's Kindergarten students will enjoy days here at Repton, making friends and learning about how life at 'big school' is conducted. We also run 'Storytime' at 8:30am on these days, for all pre-school aged students to enjoy a 30 minute reading session (*parents to accompany all children*).

Please be mindful of the extra children in our school grounds and help to make them feel as welcome as possible.

Matt Neal
Relieving Principal

Excursion Y4—6

Our Canberra trip is coming quick and fast!

A few friendly reminders for next Monday.

The bus will be leaving **RALEIGH** Public School at 6.00 am. Students need to be at **RALEIGH school ready to leave by 5:45 am**. The students and staff have a big day ahead of them on the bus and need to leave as early as possible. As a result, we need all students and parents to be as considerate as possible for staff and other students by arriving on time and ready to leave by 5:45 am.

Please ensure that students bags are not over packed or too heavy for them. As a group, staff have advised students that they need to be able to lift and load their bag onto the bus. Staff will have their own luggage to carry and students need to be responsible for their own bags.

Lastly, students have been advised that any electronic devices they bring are at their own risk. Phones and devices without a sim card are acceptable. Don't forget the chargers. Students **will not** need to make any calls on the trips and staff members will have school devices to contact parents in case of an emergency. Students have been told that these devices will be kept with their teacher during their time at the hotel and will only be used on the bus or as a camera at certain locations.

Please ensure all personal items are labelled to avoid confusion.

I will see everyone bright and early on Monday morning. A message will be sent on Friday afternoon to notify parents of our expected time of arrival home.

Thank you
