Principal's Message

Thank you very much to the parents who attended our PBL Community Feedback meeting last Wednesday. We certainly have taken on board some fantastic suggestions.

By now, you would have heard that I have been successful, pending a ten day appeals process, in being appointed as Principal at Urunga Public School from January 2018. Mr Neal will be the Relieving Principal for Term 1, 2018. I have really enjoyed my one term short of 5 years at Repton Public School. It has been an honour to support our amazing students to grow and to work with such a supportive community and talented staff! I will always cherish my memories of Repton Public School.

Next Wednesday, we are fortunate to have Robbie and Jason coming to run the Ability Links Inclusive Sports program with our students. They are visiting schools promoting community development around inclusion of people with disabilities. The ABC Coffs Coast will visit to film a short feature story about this program on the day.

We will be having our Grandparents' Day on Monday 27th November from 1.00pm. Our classrooms will be open from 1.00pm for Grandparents to visit, followed by an afternoon tea provided by the students from 1.45pm to 2.15pm.

Book Club is due back to school Tuesday, 28th November.

SunSmart Snippet

The simplest way

...to be a good role model!

Did you know?

Researchers, parents and teachers know that children imitate adult behaviour. That's why role modelling sun protection is so important!

How you can be a role model:

- **Slip** on clothing which covers as much skin as possible.
- **Slop** on 30+ broad-spectrum, water-resistant sunscreen.
- **Slap** on a broad brimmed, legionnaires or bucket hat.
- **Slide** on some wrap-around sunglasses.
- **Seek** shade when outdoors.

Don't forget – when the UV reaches 3, we protect against UV! You and your kids can check the UV level together by downloading the SunSmart app!

Set a positive example and your kids will follow your lead!

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
