Principal's Message

Education week: Many thanks to all those who could make it to our open classrooms and share our student performances on Monday. It was great to see the students so proud of their achievements and to be able to share some things with loved ones. We continue our celebrations at Bellingen High School for *Education on Show*. This has been such a great opportunity to work closely with our local public schools and highlight the achievements and talents of young people in the valley.

Visitors: On Tuesday we had Mrs Sue Brown, Director Education Leadership, visit our school and all the classrooms. She was impressed by the level of respectful behaviour in classrooms and playgrounds and was delighted by our beautiful school by the river. She acknowledged the efforts by staff and students to be learners. It was extra special with our visiting chickens Lavender and Lulu who were also in our garden for the day! She enjoyed a delicious tart cooked by 4/5/6 and even Andrew (peacock) came to say a friendly hello! We are so lucky to work and learn in such a special place.

Growing Garden: You may have noticed some additions to the working garden space. We now have a new garden shed for our students to store equipment close by, new outdoor potting benches and an expanded planting area. Miss Vanessa and Mick have been working hard to get this area together for the students and it has come together beautifully. Thanks so much!

Athletics: Well done to Rani, Sonny, Azalia and Laurin on your success at district. Good luck at Zone carnival which will be in Coffs Harbour.

Upcoming Events: Please keep an eye on upcoming events so that you don't miss out on our school events. We try hard to keep up with notes and emails and Mrs Jenkinson does her best to keep us informed as soon as possible.

Have a great *Education* week

Mrs Kristy Glyde,
Principal

Thought of the Day

Working collaboratively with other students and teachers our young people grow into engaged learners and ethical citizens able to contribute positively to their school and wider community.

Kitchen

4/5/6 washed, constructed and dressed a fresh salad and prepared quiche in the kitchen this week.

Garden

Students enjoyed using the new potting benches and green house. A great new space for raising seedlings!

Music

K/1 sang 'This Is Me', our combined choir song, beautifully this week and had plenty to say about the message in the song. Well done, K/1!

This Week in Classes

K/1

K/1 enjoyed having parents visit their classroom on Monday for Education Week. It was wonderful for students to show their parents all their work and fabulous progress.

2/3/4

2/3/4 enjoyed decorating and constructing an assortment of 3D shapes with our visiting families.

4/5/6

4/5/6 read a short passage on the mythical creature the 'Nogard' and visualised the creature based on its description. We drew our own and compared with a partner using a Venn diagram to show similarities and differences.

BOOK FAIR

Books for Sale from the 19-23rd August in the Library from 8.30-9.00am each morning. Proceeds from the sale of these books helps us to buy further resources for our school library.

BOOKWEEK 19-23rd August
