Principal's Message

Creative learners: Repton Public school students strive to think creatively and respond to problems critically. We are using goal setting to support each other develop at their point of need and we are encouraging creative thinking in learning. It is becoming part of everyday language for us to discuss what our learning is about and why we are learning this. I encourage you to have these conversations with your children too.

P&C: Thank you P&C for organising the school disco last week. It was amazing how the school cola easily transformed to a disco dance floor with lots of happy students having a groove. Not to mention the teachers too!!

Fundraisers and events: This weekend we have a big local fundraiser. We have been invited to have a stall at the Mylestom Dragon boat Regatta and this year it includes a BBQ too. We are seeking donations of plants, cakes, donations and helpers to cook BBQ and sell cakes. Please let us know how you can help ASAP so we can be prepared for Sunday.

Welcome: Our 2020 school leaders are excited to welcome the new students on Friday. Mrs Lemmes will begin the STAR transition visits to familiarise the preschoolers to our school and learning spaces. New enrolments welcome!

School Play: Don't forget to order your tickets and meals for this bound to be *sell out* performance. We are busy preparing the outdoor theatre space for the evening so get your picnic rugs and low chairs ready.

Have a great week.

Mrs Kristy Glyde,
Principal

- 17th Year 6 Farewell dinner/
Disco
- 18th Big Banana (New Date)

Thought of the Day

*We can't help everyone, but
everyone can help someone.*

Kitchen

K/1 were brilliant in the kitchen this week. They baked pumpkin, made turmeric rice, chickpea balls and a delicious tomato based sauce. They all enjoyed the tasting session and were surprised with some of the new flavours that were experienced.

Garden

4/5/6 did a fabulous job of weeding and turning the soil in the top garden beds. These garden beds are now ready for planting.

Music

2/3/4 continued to practise their small group ensembles. Each group is having fun and putting lots of music together. Well done 2/3/4!

This Week in Classes

K/1

K/1 have been investigating 3D shapes. They have been making different shapes including cubes, pyramids and prisms. They have also been describing them and counting how many faces, edges and corners they have.

2/3/4

Teamwork provides opportunities for our students in 2/3/4 to share their ideas and develop awesome projects. Last week we created a game in line with our PBL focus.

4/5/6

4/5/6 have been focusing on comprehension. Here is Kai and Riley looking closely at a set of beautiful poems about bridges from our latest School Magazine. Great insights from their reading group, including Marlee and Felix!

Rachel, Kirra and Eedie performed their own adapted play from our School Magazine at assembly this week. The girls prepared all of their notes and did a fantastic job in delivering their well-rehearsed lines to a delighted audience. Well done girls.

PRODUCE TABLE EVERY TUESDAY

Students sell produce they have grown at school on a Produce table every Tuesday. We would like to add to this with surplus produce from outside the school that you may be willing to bring in.

SALE THIS WEEK

Succulents \$2.00 / Pecan Nuts \$2.00 bag / Turmeric \$1.00

Class Awards

4/5/6

Hugh, Eedie & Felix

2/3/4

Win Bin Awards
Asha, Rani & Ryder

Classiest Class Award

K/1

Return and earn-
Don't forget if you have any cans or bottles you wish to donate, you can send them in to school fundraising. We are hoping to fill it up by the end of the term!

STEM: 4/5/6 have completed a project this week with the design brief to make a toy or game for a young person using materials from home. Our library is bursting with creative inventions and hand made games. Well done everyone!

Tell Them From Me Survey

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices. You may remember that our students also participated in a *Tell Them From Me* student survey in Term 1 this year. Asking students to complete the survey twice in one year allows us to identify trends in student responses as well as track engagement and motivation across the school year.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>. To access the survey for our school go to: <http://nsw.tellthemfromme.com/rep19>

WHITE CROSS MOBILE DENTAL CARE

The White Cross Mobile Dental Van will be visiting the school on **23rd and 24th September 2019**.

If you are happy with your child to be seen by the Dental Hygienist, please complete the **Medicare Consent** and **Patient Medical History** forms attached and return to the office.

\$148.50 raised through School Banking!

Thanks to the fantastic efforts of our students we have raised \$148.50 for our school through the School Banking Contributions Program in Terms 1 and 2. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year. These funds will go towards literacy resources.

Saving regularly is an important habit to get into, whether you're saving a little or a lot. Keep up the great work and remember, School Banking day is every Wednesday.

Students enjoying the dancing and drumming with Ms Vanessa on Wednesdays at lunch time.

Canteen Roster - Term 3

Date	Special	Lunch 10.30 – 12.00	Recess 1.00 – 2.00
Fri 13 Sept		Norbette Nolan/HELP NEEDED	Norbette Nolan
Fri 20 Sept		Toni Swain/HELP NEEDED	Vanessa Garrett
Fri 27 Sept	COLOUR FUN RUN - NO CANTEEN		

Lunch duties include setting up snacks, service and washing.
