Principal's Message

School leaders: Congratulations to our 2020 leadership team. We welcome our new school captains Marlee and Kai. We are supported by leaders in the Library- Riley T, Technology- Jeremy, Sport- Curtis, Environment Kitchen Garden- Ace and Kael. I look forward to working with you to achieve many great things next year.

Celebrations: Thanks to everyone for coming along to celebrate our student success at presentation day. It was a wonderful evening last night for our year 6 students to farewell their primary school years. After a gruelling handball tournament and Big Banana celebration there is so much to be thankful for at the close of 2019.

Happy Christmas: I hope you all have a great break over the Christmas period. We are looking forward to new and ongoing successes next year with our fabulous staff and students. Look after each other and share kindness with family and friends.

Have a great holiday,

Mrs Kristy Glyde,
Principal

Ethics classes at Repton Public School

Dear Parents and Carers,

Could you be an Ethics Teacher at Repton Public School in 2020?

In ethics classes, children learn how to think logically, how to disagree respectfully and how to support their arguments with evidence.

Children discuss topics such as:

- Fairness
- Imagining how others feel
- How should we treat living things?
- What is laziness?
- How do we disagree in a respectful way?

We are always needing volunteers so that ethics classes can be made available for all families who have requested them. Ethics teachers facilitate discussions. A teaching background is not required. Full training is provided by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of a two-day workshop and short online modules. Lesson materials are provided.

An ethics teacher training workshop will be held locally in Term One 2020 on 22nd and 23rd February.

Suitable volunteers would have an interest in children's education and the development of thinking skills and need to be available on Fridays from 11:45 - 1:15 each week during school terms to teach a half hour class at Repton PS. A small amount of weekly preparation (printing and reading through lesson materials) is also required.

If you are looking for an opportunity to make a valuable contribution to our school, please visit primaryethics.com.au and/or contact John Gray, Primary Ethics Regional Manager, Coffs Harbour Bellingen Region, 04 22 333 238, email: coffsbellingen-region@primaryethics.com.au
