Principal's Message

Public Speaking: All students K-6 will be presenting their speeches about Our Diverse World next week. Please help your child to prepare for this by listening to their delivery, checking timing and presentation skills. 3 finalists will be selected per stage to be delivered on the 21st of November.

Gardening: Our students have been tending to the school garden with great pride and care this term. Mrs Lemmes has been helping students identify plants, harvest seeds and grow new seedlings. These life skills are so important in becoming a sustainable community and we are happy to share some of the produce with you through our produce table with many of the goods grown by our students.

Ebor Excursion: Looking at our current theme on Diversity, we have decided to take our K-6 students on a trip to see our environmental differences between Repton/Mylestom, through Dorrigo, out past Dundurrabin and on to Ebor falls.

Hot Weather: Thanks to those who have been chasing up hats and applying sunscreen daily. The weather is changing constantly, and we need to ensure our students are safe in the sun.

Have a good week,

Mrs Kristy Glyde,
Principal

Thought of the Day

**Biodiversity is the key, so
we can all live with GLEE!**

Return and Earn- Don't forget if you have any cans or bottles you wish to donate, you can send them in to school fundraising. We are hoping to fill it up by the end of the term!

Thank you all for participating in the fire poster competition. We managed to raise \$141.10 The winners were selected by The Book Warehouse, Coffs Harbour and they kindly donated a first and second prize.

The winners artwork are in the picture. Winners were Marlee & Esme.

Kitchen

4/5/6 participated in an Asian inspired cooking class preparing tempura vegetables with rice paper rolls and nori rolls with a focus on precision plating.

Garden

2/3/4 had a very busy session in the garden. There was watering, collecting worm juice, composting and weeding to do. We also harvested and tasted three types of beans – purple, yellow and green.

STEM

K/1 learnt how to program their Bluebot using the touchpad and iPad. It was great to see the students working with a partner to solve challenges. Fantastic first Tablet Robotics lesson, K/1!

This Week in Classes

K/1

K/1 have painted beautiful landscapes of our local area as a part of our Geography unit.

2/3/4

Hands on maths activities provide fantastic opportunities for students to explore and expand their understanding of many mathematical concepts. 2/3/4 used geoboards with a partner so they could discuss their findings in mathematical language.

4/5/6

Congratulations to our 4/5/6 students for their enthusiasm, participation and wonderful behaviour throughout our week-long Sydney excursion. We're all so proud of you! Well done!!
