Principal's Message

Public Speaking: Our students have all completed the task for presenting a formal speech last week. Mastering the art of public speaking is reliant on many skills including voice clarity, projection, timing, stance and content. The staff were all very impressed with the quality of speeches delivered and look forward to the finals which will be held on Thursday.

Learning: Once again I was invited to attend a new principal's conference for 2 days learning about open mindedness to new learning. We often get caught up repeating practices or following processes that have been done time after time without clarifying why we do them. This process allows you to challenge your thinking and gain understanding about the purpose and reasoning behind decisions and challenges. I have been working closely with principals across the valley to help develop a supportive network that is able to understand the dynamic challenges we may face across our schools. Collaboration is very valuable for us all.

High school orientation: This Friday, our Yr 6 students will attend the Small Schools Orientation Day at Bellingen High school. The day will include a tour of the school, hands on demonstration lessons and other activities like timetable reading to make the transition as smooth as possible. Yr 6 will need to arrive at the high school in full school uniform by 8:45am and assemble in the Multi-Purpose Centre (Stockton Hall). Have fun!

Swim Scheme: Daily notifications will continue for swim school. Thank you for your understanding with this event.

Have a good week,

Mrs Kristy Glyde,
Principal

Return and Earn- Don't forget if you have any cans or bottles you wish to donate, you can send them in to school fundraising. We are hoping to fill it up by the end of the term!

STEM

This week in STEM students continued to code their LEGO machines to operate correctly. This meant not crashing into obstacles and being able to restart when the road is clear. Great work 4/5/6!

This Week in Classes

K/1

K/1 are making fantastic progress in literacy this year. Our literacy groups are differentiated to meet the needs of all students.

2/3/4

2/3/4 worked hard on their listening comprehensions skills this week. Digby joined the class in this whole class activity and we enjoyed sharing our learning.

4/5/6

For her last lesson with 4/5/6, Mrs McKay had the students in the kitchen cooking up a range of delicious and healthy snacks. We made muffins, bliss balls and caterpillar veggie crunches.
