Principal's Message

Success at RPS: Our academic reports went home this week and we were delighted to share these results with our families. I would like to acknowledge the hard work of students, teachers and families who have shared the teaching and learning experiences with our students this semester. It has shown us how flexible and dynamic we are as a learning community. Well done.

Holidays: The school holidays begin this Saturday the 4th July. Staff return to school for Professional Development on Monday 20th July. Students return Tuesday 21st July. May you enjoy a safe and happy break.

NAIDOC: This year we have been advised that NAIDOC celebrations will be moved from July to November. Hopefully, we will be able to welcome visitors into school safely at that time. More information will come closer to the date.

PBL: Our core expectations at Repton Public School include behaviour that is Responsible, Respectful and Resilient. This week we are focused on the need to respect our property and that of others in our school. Often we get new equipment or resources at school for the benefit of our students and it is not valued or cared for as we would expect. This means the equipment can be lost or broken and others cannot share as we had planned. We are trying to teach our students to be aware of their actions to make sure we are caring for things that we are fortunate enough to have here at school.

Garden: SAVE THE DATE: Wednesday 22nd July at 9:30am. Social distancing and hygiene procedures to be adhered to for all attending.

Thanks for your support,

Mrs Kristy Glyde,

Principal

Due to covid restrictions please do not enter the school grounds after school hours- No SHARE OUR SPACE during holidays

Thought of the Day

Happy Holidays!

K/1

K/1 have been revising addition strategies including counting on and doubles. They play lots of fun dice games to help them remember addition facts.

2/3/4

2/3/4 have been learning to play a new game each week, intended to consolidate learning and extend thinking in many mathematical strategies. Greedy Pig has been an extremely fun game that has been played as a whole class and in independent groups during maths rotations.

5/6

5/6 have been working on their writing and technology skills this week, using the wonderful illustrations of The Chronicles of Harris Burdick as inspiration for their mysterious and scary short stories. It has been spine-fingling and hair-raising listening to them all!

Class Awards

K/1 Mrs Lemmes
Sofia, Leo & Astrid

2/3/4 Mrs Buckley
Marley, Sage & Seb

Mrs Glyde's Literacy
Ava, Benji & Azalia

5/6 Mr Stanley
Kirra, Riley CS & Curtis

Art

Students made designs with circles, lines, colour and patterns. They were all unique. Great job Emus.

Garden

It was a beautiful day in the Garden. Students enjoyed digging for worms.

Music

In music this week, students learnt more about body percussion, practising a few warm-up activities before playing and dancing along to 'Dance Monkey'. We then moved into our new song - Stand by Me - with some students learning how to play it on the ukulele. Well done everyone!

BOOK CLUB

We would like to thank all the parents who are ordering through Book Club which is usually twice a term. This has enabled the school to purchase new books for the Library with the reward points. Thank you once again.

Produce Table

Students sell produce they have grown at school on a Produce table.

- 50c flowers & magazines
- \$1 lettuce bunch
- \$2 succulents!!!
- \$2.50-\$3.50 worm juice

Dear parents, guardians and carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Principal
