Newsletter – Term 2 Week 9

Website: www.repton-p.schools.nsw.edu.au

E-Mail: repton-p.school@det.nsw.edu.au

T: 66 554 201

F: 66 554 570

Principal's Message

Reports and Interviews: Due to restrictions, there will not be a parent teacher evening but appointments for interviews with teachers can be made for individuals through the office. We are in the final editing stage of reports and they should be sent out Friday. They are modified without A-E and have information on progress in English, Mathematics and a general comment on learning capabilities.

Garden: **SAVE THE DATE:** Our long running project with the P&C is coming to an end and we would love you to join us for the opening. Come to the Cola area on Wednesday 22nd July at 9:30am where we will celebrate with special guests' families and local Gumbaynggirr painter Brentyn Lugnan who has done the artwork for our space. We hope to see you out in the garden. See invitation below.

PBL: Our core expectations at Repton Public School include behaviour that is Responsible, Respectful and Resilient. We have lessons weekly to explicitly teach what this looks like in all areas of the school. Win Bin tokens are still being used by staff to acknowledge students who are displaying these behaviours. We have been particularly focused on respectful behaviour with our senior students as we engage with our peers and teachers. This is important as we prepare our students for engaging with others in society and value how our actions reflect how others perceive us. We always need to maintain these values.

Thanks for your support,
Mrs Kristy Glyde,
Principal

Due to covid restrictions please do not enter the school grounds after school hours- No SHARE OUR SPACE during holidays

REPTON 2020

JULY

- 3RD Last Day Term 2
- 20th Staff Development Day
- 21st Students return to school
- 22nd NAIDOC Celebration Day- Garden Opening All Welcome

AUGUST

- 3-7th Education Week
- 12th P&C Meeting 5.00pm
- 17-19th Book Fair
- 19th Book Parade

Attendance:

If your child is unwell, do not send them to school. If they are unwell at school, you or your nominated emergency contact will need to collect them immediately. Please ensure your child's contact details are up to date.

If a student is absent without a medical reason for more than three days, this will be recorded as an unauthorised absence and will be followed up by the school.

Thought of the Day

Don't count the days, make the days count!

K/1

K/1 have been learning about money. They set up a lolly shop to practise buying and selling things using play money. It was a lot of fun!

2/3/4

2/3/4 thoroughly enjoy the wide assortment of texts available in our classroom library and read daily. Students are always keen to share the many stories and interesting information that they find after reading.

5/6

5/6 were amazing helpers in the garden this week. Under instruction from Mr Radford and Mr Young, students helped to dig holes, transport timber and plant the native ginger seedlings they potted up last year. Great effort from all!

Art

A famous Vincent van Gogh painting, Stary Night was the inspiration for the Art group this week. Chalk pastels were used in a directed drawing experience before being partially blended to finalise the piece. The amazing results can be viewed in the office foyer.

Garden

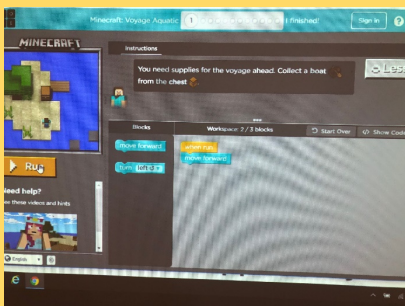

We did quite a lot in the garden this week. Students planted some new flower seedlings, potted up succulent cuttings and planted out a bed of peas.

Music

This week in music we worked on our rhythm in body percussion circles and then moved our skills into a new song – Stand By Me. We're looking forward to learning the Gumbaynggir translation from Dylan soon and adding our instruments to it.

Stem class for 2/3/4 looked at coding a Minecraft Voyage Aquatic with a partner. Some students even completed this level and earned a certificate!

Commbox training. All staff participated in commbox training last week to be more effective with new technology. We learnt a few new tips and tricks that we were happy to share with the students.

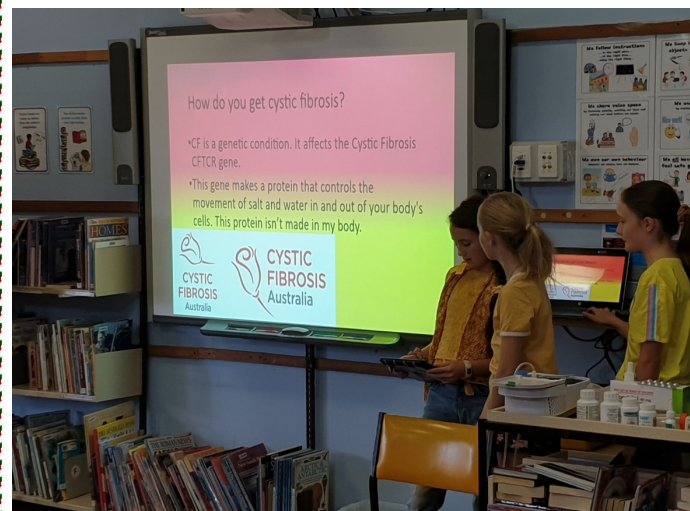

On the 19th of June it was Cystic Fibrosis day. Everyone was dressed in yellow and Kirra, Rachel and I were able to stand up in front of the school and talk about Cystic Fibrosis. Everyone went in the library and sat down on either the floor or on the chairs, and some parents and carers were there too. We had made a power point that we presented to everyone. We talked for about 7 minutes and we showed some of the equipment I do like turning on my nebuliser. I talked about how much medicine I had and I answered some questions. I think it was great how Mrs Glyde allowed CF day here and it was really cool that we all got to celebrate CFers at school. I think it was a great experience and everyone learnt a lot.

Yellow Day
Cystic
Fibrosis

Students
and Staff
Raised
\$127.50

PRODUCE TABLE

Students sell produce they have grown at school on a Produce table.

- 50c flowers & magazines
- \$1 lettuce bunch
- \$2 succulents!!!
- \$2.50-\$3.50 worm juice

Dear parents, guardians and carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Principal

STAR Program

Student Transitions At Repton

Taking enrolments for Kindergarten 2021

Our School

Repton Public School works in partnership with its community to ensure that every student has the opportunity to succeed in a safe, positive, welcoming, respectful and inclusive environment. Our learning experiences are varied, innovative and creative and promote lifelong learning for all.

Friday 11th Sept 9am-12pm
Friday 18th Sept 9am-12pm
Friday 25th Sept 9am-12pm
Friday 23rd Oct 9am-12pm
Friday 30th Oct 9am-12pm

Story Time for Pre-Schoolers

Bring your pre-schooler along to share a story with one of the teachers and become familiar with Repton Public School.

8:45am – 9:00am
December 4th & 11th

Contact: Repton Public School, River St, Repton - 6655 4201 OR email: repton-p.school@det.nsw.edu.au

Before

AFTER

A big thanks to David for all his efforts cleaning up our front of school garden. First impressions count!

Student banking – Commonwealth Bank

The Commonwealth Bank has advised that Student Banking will begin again in Term 3.

Start Smart Parent Resources have been created to assist parents and carers in improving their children's money management skills.

These free, short videos and worksheets can be accessed from home and are designed to give students the confidence and skills to make smart decisions about money. To find out more, visit commbank.com.au/parent

Please join us for The opening of our Eco Garden

Date: Wednesday 22nd July, 2020
Time: 9.30 am
