Principal's Message

End of year- Well thank you 2020 for throwing another curve ball at us in the final moments of the year. Thank you to all our families who supported our school in these flood days and with your communication. Our flood plan is working with messaging and notifications. Any feedback on your behalf is welcomed.

Holidays- Today is the last day of student attendance for 2020 and we wish all our families a happy and safe holiday period. We hope to see you all again in the new year with most students returning on the 29th Jan.

Yr 6 Farewell- Our year 6 farewell has been modified due to the extreme weather conditions this week. We will still have our traditional dinner at the club, however the dance was performed today at school. NO DANCE IN THE HALL!

School Readiness: After a break from school it may be important before your child returns, to discuss school responsibilities and be prepared when school starts. Some things you may consider include the physical things for school. Do they have uniforms that still fit, a hat, bag, drink bottle and pencils. It also includes being responsible for their belongings so name labels, checklists and routines help to keep them on track. We also make sure our home and school reflects positive behaviour expectations so discuss how you can show respectful, responsible and resilient behaviour at home and in the community just like we do at Repton Public School.

Thanks for a great year together and I look forward to working with you in 2021!

Don't forget, Santa is still watching!

Thanks
Mrs Kristy Glyde
Principal

Thought of the Day

Happiness doesn't result from what we get, but what we give.

5/6 Christmas Cooking

5/6 students were able to spend some time in the kitchen with Ms Vanessa for the last cook for some students. They created a lovely xmas treat for all students at school! Yum!

RFBI Christmas Card Competition 2020 was won by Rachel Radecki

Rachel won a \$50 book voucher plus a \$100 book voucher for our school.

Well Done Rachel.

COVID updates:

- Students should continue to be encouraged to bring water bottles from home.
- Schools must remain vigilant in applying [infection control](#) and personal hygiene practices while at school. Schools must continue to promote and encourage regular washing of hands, exclusion of any staff and students who are unwell, avoiding the sharing of food and personal items and cleaning of any shared items such as musical instruments, learning and sporting equipment between uses.

Shade Sails Fundraiser

Does anyone have a money jar or purse that you keep loose change? Mine gets raided and 5c and 10c pieces always get left behind!!! So, I've got a jar for these abandoned coins and will keep it in the office to support our shade sail fundraiser. If anyone else wants to bring in their coins feel free to donate!

Congratulations to all our students.
