Principal's Message

Leadership Speeches: We will be holding student leadership speeches today and announcing our 2022 leaders on Presentation Day. We know the standards are high and we look forward to acknowledging these roles next week.

Construction: Over the holidays we will see the completion of a few tasks around the school. We have a new shelter in the garden, P&C storage shed, girls toilet upgrade, canteen roof replacement, replacement of posts in walkway and building, and repainting deck surface. Hopefully these improvements will be finalised before the new year begins and will look fresh and tidy.

Musical: We are so thrilled with the response from our whole school musical. We know that some people were not able to come along so we were able to record the finale!

If you wish to purchase the show for \$5, we have 3 options:

1. If you have a YouTube account send us your email and we will give you the private link.

2. If you have a DVD player, we can burn a disk

3. If you send us a USB, we can load it up for private use (4MB

Send an email to repton-p.school@det.nsw.edu.au

Upcoming events: We try and keep our communication clear and explicit in our morning messages to students and realise sometime these don't make it home. We have a few special days upcoming including 4-6 excursion to Mylestom Trail tomorrow. Year 5/6 will then stay and sleepover at school. Friday we will have a visit from Rural Fire Service. Next Monday is our Presentation Day with full school uniform. Tuesday we will have a Farewell Disco for Year 6 with mufti clothes and Yr 5/6 will attend a Farewell Dinner. Wednesday Big Banana Fun Day wearing swimming clothes and with school uniform to get changed in their bags. Thursday will be Christmas clothes for class party and clean up days (bring Secret Santa!).

Presentation Day: Policy restricts our presentation day to fully vaccinated visitors (including parents and carers) only allowed to attend if completing a specific role (such as presenting) and at the invitation of the school. All visitors must check in using the school check-in and show proof of vaccination. Our invited parents will be invited on Friday via email.

Thought of the Week

K/1

On Monday K/1 made Rudolf the Reindeer ears. A simple craft activity covers many different important learning and social opportunities including Mathematical understanding of fractions, fine motor skills in cutting, tracing, folding and cooperation and helping one another.

2/3/4

After a huge week of performing, it was great to be back in the classroom utilising all the creative problem-solving skills students have acquired throughout the year! Challenge number one was totally engaging, and many laughs were had. So much fun with just two pieces of paper. Well done, 2/3/4!

5/6

Congratulations to Esme for receiving a very special award this week. Year 6 decided on one student, through a very fair and democratic process, who they believed has always represented our Repton school values. We all think they chose very wisely, and would like to congratulate Esme on another wonderful year at Repton PS!

BUNNINGS SAUSAGE SIZZLE FUNDRAISER BBQ

The P&C are doing another BBQ at Bunnings on the 18th December from 8am – 4pm. Volunteers are needed. This is a wonderful fundraiser and will be a busy day. Sign up with a friend and grab some last minute gifts! If you are able to help please contact the school on 66 554 201 so we can add you to our list OR send this form back with your name.

8am – 10am

10am – 12pm

12pm – 2pm

2pm – 4pm

LIBRARY

Could all Library Books be returned by the end of the year (16th December 2021)

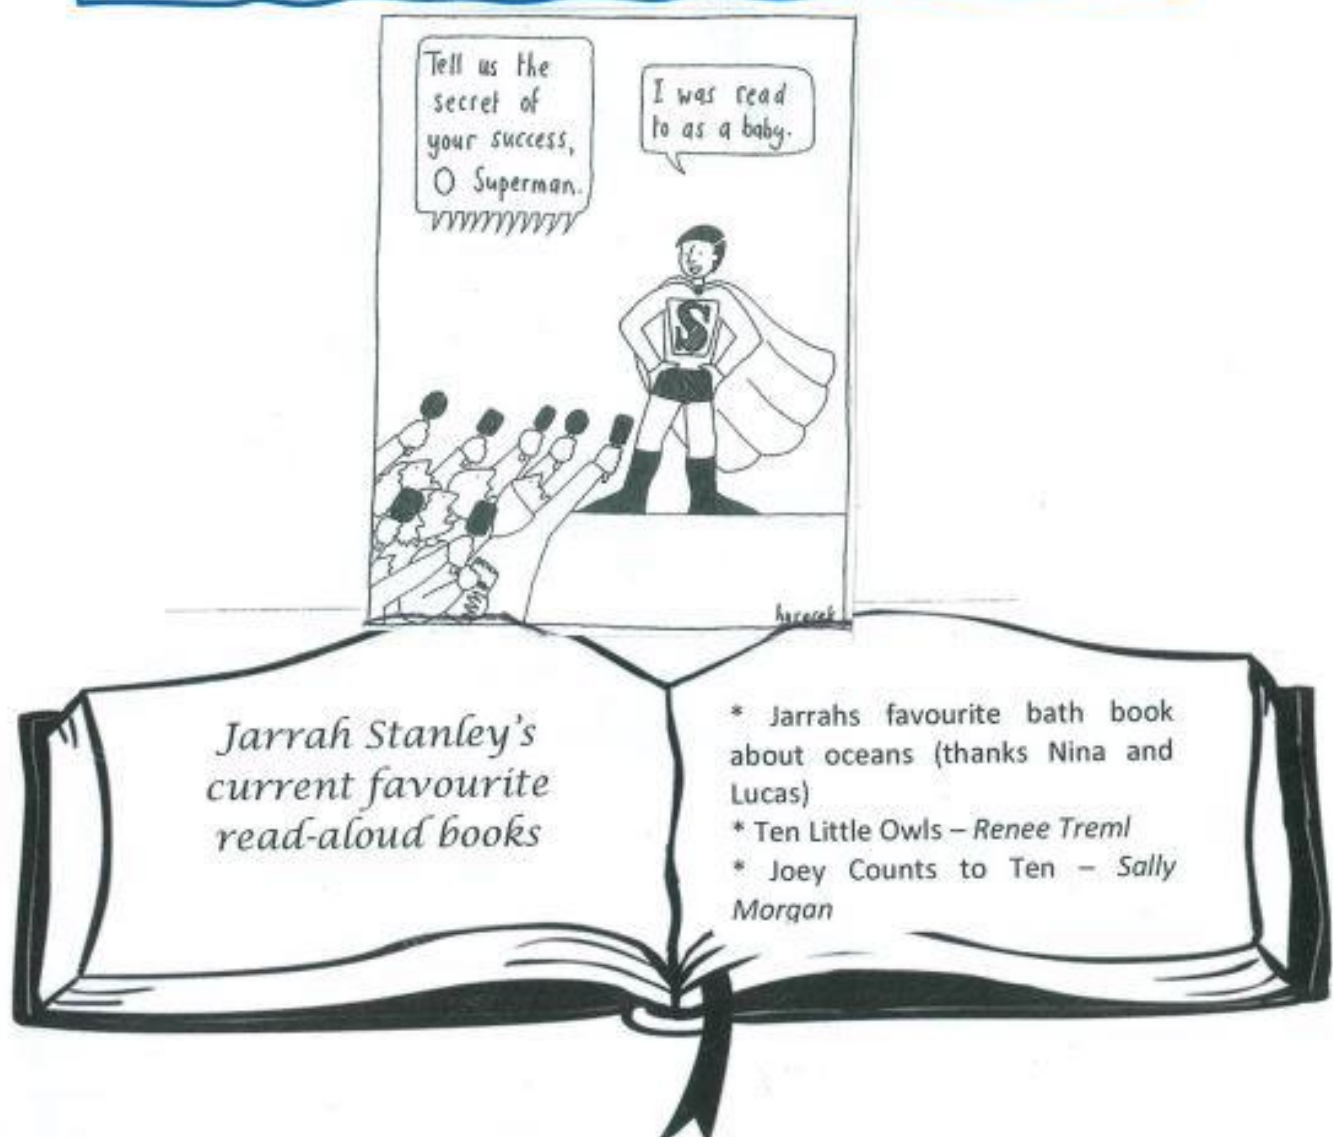

The Last Commandment....

In 2004 Mark Latham succeeded in raising awareness across Australia about the sensational benefits of reading aloud but did admit to feeling like an idiot at first, reading aloud to his four-month-old son, Oliver:

I say to parents who might think that there is time to wait, and that this is the sort of thing that can be delayed to age three or four: it is true that in those early months you will feel a bit dorky holding the child and trying to get them used to the book, and there will be times when the child will grab the book and try and eat it, chew it or tear it, but persevere, because it is worthwhile. It is absolutely worthwhile. Mem Fox, *Reading Magic*, 2008

Mem Fox's Ten Read Aloud Commandments - number 10

Please read aloud every day, mums and dads, because you just love being with your child, not because it's the right thing to do.
