Principal's Message

Athletics: Congratulations to all of our students who participated in the Repton Public School athletics carnival on Friday. We were pleased to see many students have a try at things and develop experience and confidence in these athletic skills. Some students realised they were good at things they had never tried before! Well done for giving it a go. Others have decided to practice more to gain a better result next time. Like everything, it takes time and dedication to develop your skills. Work hard and the rewards are likely to pay off. Good luck to all at the Small Schools carnival tomorrow.

P&C Meeting: We have fundraising on the agenda this month as we identify many activities happening around the school that need community support. We appreciate the efforts and time you can contribute to these activities and events. If you would like to help please come along **next Wednesday** or contact the committee. 5:30pm in the staffroom.

Readers Writers Festival: We have been lucky to have 2 guests join us today. Dr Kate Forsyth is an internationally published poet, novelist and essayist. Penelope Pratley is an illustrator who has been experimenting with paint since she was a small girl who has a Bachelor of Fine Arts and a Bachelor of Teaching. What a wonderful experience for us all.

Cascade: John McQueen from Cascade Environmental Centre was able to join us today also. Students 3-6 completed activities related to Wind Turbines and also K-2 investigated Insects. Thanks again for supporting our students.

Thanks for your support,
Mrs Kristy Glyde,
Principal

Please support the P&C fund raising – if not in person then by purchasing tickets in either

K/1 had a wonderful time at their first Repton Public School athletics carnival held at Mylestom Oval. They all tried their best and participated in all that they could. A great day was had by all!

2/3/4

2/3/4 had a wonderful learning experience from Paul when he shared a wealth of information on bees. Students have been recording these facts, writing information reports and drawing amazing bees! One of the highlights was Paul sharing the inside of one of his hives (minus the bees).

5/6

5/6 are excited to begin learning all about forces and have begun an initial plan to design a Rube Goldberg Machine. There are so many amazing ideas coming through already and hopefully objects to help us build these will start coming into class! Well done, 5/6!

Student of the week

K/1 Tao, Astrid & Jayquan

2/3/4 Edward & Florence

5/6 Toby, Harlen & Indica

Classiest Class Award 2/3/4

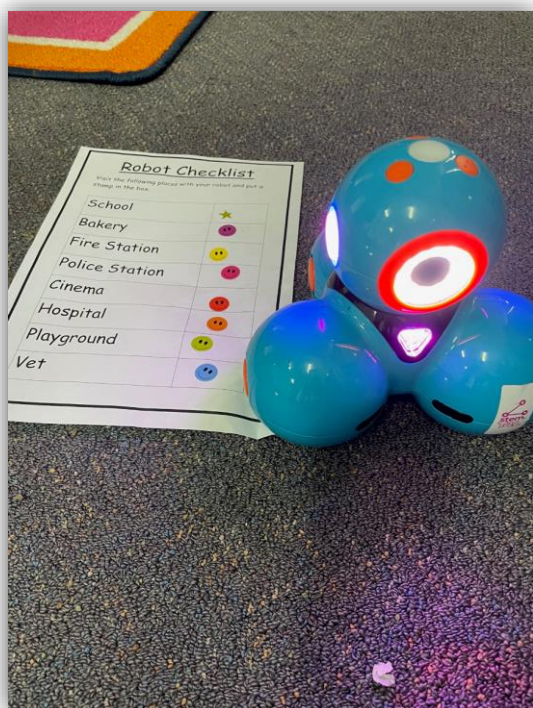

Sofia, Poppy, Sunny, Florence & Vivi

Win Bin Awards – Alira, Sofia & Felix

Canteen as usual on Friday
11th June, 2021

and staff have loved creating and sharing their learning. We can't wait for our next kit! Film making!!!

CAPA

Garden:

This week to complement our *Lunch Makers Program* we investigated the steps required to make a slice of bread and we thought about the waste of energy, resources and effort when we throw it in the bin. We also planted many seedlings and built some bamboo tepees for the snow pea seedlings we raised ourselves.

Music:

We were back to our small group instrumentals in music this week and enjoyed the company of Mr Mitchell who will be doing some percussion and rhythm activities with the K/1s while he's here. Well done to ALL groups for performing in front of their peers. It was excellent seeing what you came up with in such a short time.

Kitchen:

The lunch Makers program was delivered at Repton Public School last week and students really enjoyed the learning experience. They learnt the process of making flat bread wraps and all about healthy lunch boxes. Well done boys and girls for your beautiful manners during the visiting presentation!

CREATING OUR FUTURE

P&C RAFFLE

Will be drawn on Wednesday 16th June

The Repton P&C are holding their annual Rebel sport raffle to raise money for a multi-purpose sports wall. Our lucky children will be able to enjoy an even wider range of sporting activities during their day. Prizes include: oil slick scooter, footballs, Zoingo Boingo pogos, darts board and snorkelling equipment to name a few.

Tickets are \$1

More tickets available at the school office.

Orders to be in by Friday 11th June

Repton Public School P & C Pie and Sauce Drive

The P&C appreciate your support in our fundraiser!
We have family sized (22cm) sweet or savoury pies
and 250ml bottles of sauce. Made locally. The pies will be frozen.
Please order below and return to school with payment, thank you.
Orders fulfilled in last week of this term.
