Principal's Message

Mrs Jenkinson: Our dear, kind and thoughtful office lady, Mrs Beverley Jenkinson will be taking leave for 6 months and go into retirement after her break. We have been preparing for this time and will certainly miss her cheery voice at the end of the line, along with the ice packs, band aids, extra notes and kind words of support. She is a great asset to our school, and we can only try and do our best to keep things running as smoothly as she did.

Mrs Vanessa Machon (Garrett) will take on the task with Mrs Leanne Moss still coming Wednesdays too as admin officer. We have been guiding Vanessa into the role and hope to maintain community support during this transition.

Easter Hat Parade: This Friday we will host the Easter Hat Parade and raffle beginning at 9:15am. All welcome. Please stay and join us after the parade with morning tea to farewell Mrs Jenkinson. If you can bring something to share for morning tea that would be lovely.

ANZAC service: We have been invited to attend the Bellingen ANZAC service in Bellingen for the parade and wreath laying. If your child wishes to join us in the march, please meet Mr Stanley at the BCU at 8:30am to parade at 9am on the 25th of April. We will hold a school service on Wednesday 27th when students return from holidays.

Communication: As we approach the holidays, I would like to wish our families a safe and relaxing break. I will be having an extra week away travelling with my family so will return in week 2. Mrs Buckley will be available for any urgent matters. Mr Stanley has his fingers crossed to be back day 1 and Mrs Lemmes will return to the classroom also. Phone messages, emails and communication will be responded to when possible, but our admin staff are also away during the break. Have a great easter holiday everyone,

Mrs Kristy Glyde
Principal

Thought of the Week

Being grateful for the good things we have in our life. Is foundation for all abundance.

Gaagal

We have been investigating patterns in K/1 Gaagal this week. Lots of hands on and creative fun, making and following repeating and growing patterns. This early pattern work is so important for future mathematical number pattern understanding. Looking forward to seeing the Easter Hats on Friday!

Bindarray

Students in Bindarray have been enjoying a huge variety of learning experiences and fabulous levels of attendance. We continued exploring different states of matter by growing crystals in science and developed our writing skills with a fun Easter imaginative writing task. We have been collecting and organising data into tables and working on measurement. Great work, Bindarray! *Love your Spidermen!*

Winda

Fractions and decimals have been a big part of our mathematical thinking this week. We are exploring parts of whole numbers. We have also almost reached the end. The witch melted, tin man got his heart, the scarecrow a brain and the lion his courage. What next??? We will finish our novel with the original rendition of *The Wizard of Oz* on Friday after the hat parade and raffle.

STUDENT NEWS:

This week has been exciting and everybody is looking forward to school holidays. Today we had a special guest come visit us at Repton, Lindy ran a performance called Before you Know it, You'll be a Poet. In this performance Lindy teaches us about onomatopoeia and performs an epic poem with the help from Vivi and multiple puppets and props. With the Easter hat parade coming up everyone should have a hat and hand in tickets.
