Principal's Message

Small Schools Carnival: Our Athletics Carnivals were wonderfully supported and enjoyed by all last week. Thanks to everyone who helped transport and assist with activities. We hope we can enjoy more of these events with our local schools in the future. Congratulations to our Small School Age Champions: Sonny, Benji, Kiri and Azalia. Charlotte was the Girls Champion at the K-2 Smalls School Carnival. District notes went out this week to qualifying students which will be held in Term 3 week 2 at Bellingen High School.

NAIDOC Celebrations: On Thursday week 1, we would like to invite you to come along and celebrate NAIDOC week with our school community. We have cooking, dancing, craft, activities all throughout the day. If you would like to share a plate of food with us at 11am we will have a NAIDOC luncheon, bring something to share.

Debating: Today, our debating team, Molly, Seb, Esme, Vivi, Kaiden, and Larissa, competed against Sawtell Public School. They argued that year 5 and 6 should be allowed to learn via zoom.

Teachers Strike: The NSW Teachers Federation has directed its membership to take industrial action in the form of a 24-hour strike on Thursday 30 June 2022. As a result of this strike, our school will be non-operational on this date and no student supervision will be available. This means you will need to make alternative care arrangements on this day for your student/s.

Friday Fun: We look forward to celebrating a successful Term 2 this week. Our students and staff have worked hard and shown commitment to learning. Enjoy the break one and all!

Thought of the Week

Doing acts of kindness is one of the best activities you can do with your kids. It's a great way to bond as a family, a lot of fun and teaches kids about compassion and service.

K/1

Visual Arts is a very important part of the school curriculum, and we try to integrate it as much as possible into many lessons in K/1 Gaagal. This week we finished our Japanese cherry blossom branches. Instead of paint brushes we used dominos to print the branches and our fingers to print the blossoms. They look lovely!

2/3

What a wonderful term we have had in Bindarray. The multitude of successes and fun that we can reflect on over the term are enormous. This week we really enjoyed challenging maths Kahoots with friendship teams and being photojournalists in literacy. Congratulations boys and girls for your eager enjoyment and commitment to learning!

4/5/6

4/5/6 have been improving personal multiplication goals this term and have dedicated time and energy to challenge their skills in mathematics. They have been most dedicated in class and also at home. Well done, Winda!

CAPA

Garden:

In gardening last Friday, the kids learnt about all the different parts of plants we can eat, learning the difference between fruits and vegetables. Perhaps over dinner they may be able to tell you what on their plate is a vegetable or fruit. To top this off they learnt about growing Mung bean sprouts in a jar.

Music:

In music, the Kookaburras worked with Mr De Jong to create percussion sounds. They then worked in small groups to create their own rhythms and performed for each other with instruments. Their compositions were showed originality and creative thinking. Well done!

Kitchen:

The Platypus group had a lot of fun in the kitchen this week. We made the soft Mexican tacos with Miss V and Tanya. Squishing the tacos with the pasta machine was a highlight. The salsa group made short work of cutting all the yummy ingredients. But I think everyone enjoyed eating altogether by our river.
