Principal's Message

Athletics: It's carnival time!! We will host our Repton carnival at Mylestom oval this Thursday with march past, running races, discus and some novelty events. P&C will run a small BBQ and canteen for our students. We will then complete the long jump, shot put and high jump on Friday afternoon at school from 12 pm. All welcome to both events.

Experiences: It seems our students are interested in learning through experiences rather than with getting more "stuff" based on student feedback. So, we are trying to build opportunities to make learning meaningful for all our students. We have a focus on making our school feel safe and special to all our students both in the classroom and playgrounds and now we can add some more opportunities to experience these to the fullest.

Working Bee: Our GA Chris, has been working hard around the school grounds and in classrooms to finish off odd jobs. It is looking like a working bee will be needed so if you are able to push a wheelbarrow, we would love to hear from you. Please call Vanessa in the office on 66554201 and leave your details.

Emotional learning: If we start every day with positive thoughts and a smile, our learning is bound to be successful. Some days, our students are just not in a good mood, have had a messed-up morning or even had to miss breakfast. This can set the tone of the day. So, in the morning, we talk about the things we are looking forward to and check-in with everyone to see how they are feeling. We can then make sure we make the time to prepare everyone for learning, in the right emotional state.

Have a great week,
Mrs Kristy Glyde
Principal

REPTON 2022

JUNE 2022

- 15th P & C Meeting – 5 PM

- 1st Last Day Term 2
- 3rd-10th NAIDOC WEEK
- 19th First Day Term 3
- 21st NAIDOC celebrations

Thought of the Week

"Every child deserves a champion - an adult who will never give up on them, who understands the power of connection and insists they become the very best that they can possibly be."

Rita Pearson

K/1

As part of our cultural studies unit K/1 Gaagal have been learning to play the African drums. Thank you to Miss V for sharing your drumming knowledge, skills and passion with us. Drumming is great fun and also good for the brain. Students have to keep time, follow patterns, cooperate with each other and listen carefully.

2/3

Robots and research. Students in Bindarray have been busy researching the many different cultural celebrations from all over the world. This week we looked closely at the Ganesha festival and located India on a world map. I wonder where next week will take us? We also had fun learning about robotics and sharing a robot race! Check in on Seesaw to watch the fun!

4/5/6

Wow! What a week Winda had on camp up at Cascade Environmental Education Centre. Our students were incredible while participating in some amazing activities and learnt a lot from the wonderful staff and rainforest environment at Cascade. There were lots of memories made and we couldn't have been prouder of how well our students represented themselves and our school. Well done, Winda!

Looking for a secure
and rewarding career?
Think bus driving!

If you like driving, meeting, engaging with people and serving the community, then consider a great career as a bus driver. Busways is now seeking new bus drivers in Adelaide, Sydney and northern New South Wales.

Full training is provided, helping you to obtain the licence and accreditations that are required for you to become a bus driver.

We have bus drivers from all walks of life – come and find out more about this stable and rewarding career in essential services at our Depot Open Days!

You will find out everything you need to know about this exciting opportunity and joining the Busways' team.

Visit one of our Depot Open Days

Scan the QR code to register your interest or stay up to date with all of our Depot Open Days and career exhibitions. Please ensure that you arrive in enclosed footwear and bring your drivers licence to the Busways Depot Open Day.

For more information contact our Driver Recruitment via email driving@busways.com.au or call us on 02 9497 1800

Connecting people,
communities and journeys.

Nutrition Snippet

DRINK WATER.

Water is the best drink for kids.

Even better it's free!

Remember to pack a bottle every day
