Principal's Message

Public Speaking: Congratulations to all students for participating in Public Speaking in 2023. The speeches presented in class were very well organised and competitive. Many students were selected for the first time and there were many close calls. We thank the families who supported their children in preparation for their speeches giving this their best shot for confident presentations. Well done finalists Axel, Misty, Elsie, Sunny, Bowie, Lilah, Penny, Aria, Wren, KaCee, Declan and Kaiden. We had a great morning listening to their discussion on Diversity and congratulate Axel, Bowie, Lilah, and Declan.

Grinch: We are in full swing for the rehearsals of the Grinch musical. Afternoons after swimming we are singing, dancing, acting, making props and getting prepared for the show. Tickets are now on sale from the office or payments online. Call now to book your spot.

Growth mindset: We always encourage our students to understand the importance of learning and why it matters. When we asked the classes this question, some answers surprised us. Some students didn't believe that school was even necessary!! This caused great discussion back and forth sharing and understanding different perspectives. We think in the end that most held a common understanding of the privilege that comes with an educated mind. Working hard to achieve goals and being successful comes from learning new skills, striving for excellence, and working together with others, School may not seem necessary for some, but being a learner is crucial! We learn a lot by asking questions and valuing each other's opinions. Another great example how we can learn from each other.

Thanks for your support,

Mrs Kristy Glyde
Principal

Thought of the Week

"Don't worry about failure. Worry about the chances you miss when you don't even try."

- Sherman Finesilver

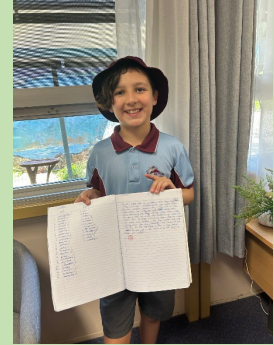

K/1 GAAGAL**2/3 JULUUM****4/5/6 BINDARRAY
WINDALA**

Congratulations to all K/1 Gaagal students who presented a speech in front of the class last week. An extra special congratulations to the students who made it through to the finals and presented their speeches in front of the whole school on Tuesday. I would also like to thank all K/1 students for their excellent behaviour during all the extra activities this week – swimming, play rehearsals and speeches. Well done!

Juluum students have had an awesome week doing class assessments, stage speeches, swim school and Grinch practise. We always remember the importance of our fruit break to reset in our literacy sessions. We have shifted our library time to Tuesday afternoons for the remainder of the term. Borrowing books will be done on this day. Books may be returned into our class library tub at any time!

Sometimes all it takes to write a good story is based on the authorial skills of a decent plot line, character development, a series of events to resolve a complication. Other times, we are conscious of our secretarial skills, including capital letters, punctuation, descriptive language, paragraphs, and spelling vocabulary. This term we have encouraged our Bindarray Windala students to do both!!! Great effort!

Summer Fun Raffle

We would like to say a special thank you to the three families that helped with the Bunnings Raffle table on Sunday.

It was another great opportunity to promote our amazing school and engage with the community.

Tickets will also be sold at the school play with the raffle being drawn the close of the evening session. If you have sold your tickets and need more, Miss Vanessa has plenty more in the office.
