Principal's Message

Welcome back: We are thrilled to welcome back our students to the classroom and ready for another engaging term of learning. We have high expectations for literacy and numeracy improvements and support all learners to reach their potential. We consistently uphold the school values for being respectful, responsible and resilient within our learning environment.

Positive relationships: Positive, respectful and safe teacher-student relationships have many benefits for students and their teachers. Students develop a strong sense of belonging, reduced school anxiety, increased engagement and achievement, fewer behaviour concerns and improved social-emotional skills. Our teachers are constantly looking for opportunities to communicate with students, manage conflict and understand the strengths and characteristics of individual learners. We support our teachers and students in promoting these respectful relationships on a daily basis.

Explicit teaching: Our teachers combined forces with our small school colleagues on Monday to engage in professional learning around explicit teaching, new curriculum and assessment practices. We were able to collaborate and reflect openly about learning within and across schools and how this looks for our learners. It was a great day of learning for all our staff.

Bellingen Show: We look forward to supporting Bellingen show this weekend with our school display. If you have any articles you would like us to collect or submit, please get in touch. Colouring in will be displayed in the shack. Make sure you come along and get involved in a great community event. Schedule is available online or Facebook.

Have a great week,
Mrs Kristy Glyde
Principal

When it comes to attending school, every day matters

If your child misses as little as **1 day per fortnight**, they will miss **4 weeks of school per year**, which adds up to over **1 year missed over their school life.**

Scan the QR code to learn more

Make sure your child doesn't miss out on the important things like:

-  Learning
-  Strengthening friendships
-  Build skills through fun

Here's what's cool:

1. Saying 'Thank You'.
2. Apologizing when you're wrong.
3. Showing up on time.
4. Being nice to strangers.
5. Listening without interrupting.
6. Admitting you were wrong.
7. Following your dreams.
8. Being a mentor.
9. Learning and using people's names.
10. Holding doors open for others.
